

Project Agreement

Vocational School Construction Support 2009

#1 Framework

This project is based the Partnership Agreement between RDIC and Sterntaler from 1st October 2008 and the Mali Initiative's Needs Assessment from February 2008.

#2 Objectives

This projects aims to support the construction of a much needed vocational school in Kalabancoro, near Bamako, as published in the Construction Plan. Overall aim is improved education in both quantity and quality for in-need youth.

#3 Funds

Required funds are described in the published Cost Estimate. Sterntaler will provide 20.000€ to build two class-rooms.

#4 Timing

Construction is planned in July and August 2009.

#5 Ownership

The two class-rooms are part of the vocational school of Youchaou Traore.

#6 Charitable Nature

RDIC and Youchaou Traore ensure that the class-rooms are used for charitable improve of education levels. RDIC is a registered charity under Malian law.

#7 Sustainability

Sustainability of the school, class-rooms and education quality are the responsibility of RDIC and Youchaou Traore. Sterntaler and RDIC as part of the Mali Initiative will assist in further improvements, e.g. considering material support, continuing visits etc.
